Claims service

How to Make a Claim

To make a claim, or to report an incident which may result in a claim, call the 24-hour Claims Helpline on 0344 8409500. Lines are open 365 days a year.

Please note that You must report all incidents to Us that you or any Named Driver is involved in no matter how trivial and regardless of blame, within 24 hours of the incident, ideally within the first hour. This is whether You wish to make a claim under the Policy or not. Delay in notification of an incident to Us may invalidate Your right to claim. When You call, please have ready:

- Your current Certificate of Motor Insurance,
- Details of the driver if other than Yourself,
- Your Car; and
- Details of the incident itself.

If Your claim is due to Theft, attempted Theft or Vandalism You must also inform the police and obtain a crime reference number. Our operators will take down full details of the incident. Our operators will also provide every assistance to ensure the least inconvenience to You, and through the use of the extensive Approved Repairer network, can ensure (if Your cover is relevant) a fast and efficient repair.

If for any reason You have not been able to exchange details with other driver(s) or owner(s) of property or You were in collision with an animal, You must report the accident to the police as soon as possible and certainly within 24 hours of the accident. We will deal with Your claim and claims made against

You, as quickly and fairly as possible. Please read the General Conditions Applying to the Whole Policy - Section 12. For Our joint protection, telephone calls may be recorded and monitored by Us.

Repairs

By using Our nominated repairer, You will benefit from a number of things, including a guarantee for Your repairs, and authorisation and payment direct to the repairer. All You need to do is pay Your Excess. You are of course permitted to use Your own repairer, however, You will not be entitled to the benefits shown in the table below and will need to submit repair estimates to Us for authorisation, which may delay the progress of your claim.

Repairs	If the damage to Your Car is covered under Your Policy and can be repaired, then We will arrange for one of Our nominated repairers to contact You.
Authorisation	You do not need to get any estimates and Your repairs can begin as soon as We have authorised them.
Delivery	When the work is complete, the repairer will contact You to arrange a convenient time to deliver Your Car back to You.
Payment	We will pay the bill. All You need to do is pay any Policy Excess to the repairer before the Car is delivered back to You.

If Your Car is a total loss (a write off), We will ask You to send in Your original documents (for example V5C and MOT certificate). Remember to clear Your Car of personal belongings.

If You Have an Accident

Regardless of blame it is important that You take the following action:

Stop

- Stop as soon as possible, in a safe place (if You have a warning triangle, place it well before the obstruction). If anybody has been injured, call the police and ambulance service.

Sketch

- Make a quick sketch of the direction and final position of each vehicle (it is worth keeping a pen and paper in Your Car). If You have a dashboard camera, ensure you save any footage it has recorded.

Note

- The vehicle registration number, name, address and telephone number of any other drivers involved in the accident.
- The number of passengers in each vehicle.
- The name and address of anyone who is injured (or suggesting they have been injured).
- The name, address and telephone number of any witnesses to the accident.
- The name, telephone number and constabulary of any police officer who attends the accident

Take a photo

- If You have a mobile phone with You that is fitted with a camera, try and take photographs to support the positions of the vehicles and the extent of damage.C

Provide

- You must give Your own details to anyone who has reasonable grounds for requesting them.

DO NOT

- Do not admit responsibility, either verbally or in writing, or offer to make any payment. Instead, ask any other person involved in the accident to contact Us on the 24-hour claims helpline number above. By getting the other person(s) involved in the accident to ring the 24-hour helpline, You will give them the opportunity of obtaining Our assistance in progressing repairs.

- f) Not having paid or agreeing to pay the premium.

Section 11

Changes which may affect Your cover

The Terms of Your Policy and premium are based on the information You have given us. You are required by the Consumer Insurance (Disclosure and Representations) Act to make reasonable care to answer all questions honestly, accurately and to the best of your knowledge. Failure to supply accurate and complete answers may mean Your policy is invalid and that you will not be covered in the event of a claim.

This Policy does not cover any non-standard parts (modifications). Manufacturer's optional extras are only covered if they have been declared and We have agreed to arrange cover for them.

If You make a claim for loss or damage to Your Car, We will only pay the cost of replacing parts needed for Your Car to meet the manufacturer's standard specification. Failure to notify Us of a modification may result in Your Policy being cancelled or treated as if it never existed, or in Your claim being rejected or not fully paid.

Section 12

General Information

Data Protection Notice

This Data Protection Notice explains how We may use Your details. It tells You about the registers and databases that We and others have in place, which help to detect and prevent fraudulent applications and claims, and must be shown to any party related to the insurance. All phone calls relating to applications and claims may be monitored and recorded and the recordings used for fraud prevention and detection, training and quality control purposes. Your privacy is important to Us and We assure You that We will respect Your personal information. We will share information with other insurers and We will use Your information to manage Your insurance with Us, including underwriting, claims handling and statistical analysis. Please be aware this may include disclosing Your personal information to any agents who provide services on Our behalf, including those located outside the European Economic Area. By accepting this insurance You consent to such use of Your personal data. Please refer to the supplementary document titled "Data Protection Notice"

Sensitive Data

In order to assess the Terms of the insurance contract or administer claims which arise, We may also need to collect sensitive data such as medical history or criminal convictions. We will not use this data except for the specific purpose for which You provide it and to provide the services described in this Policy Wording document.

For more information on Data Protection legislation You may also write to the Information Commissioner's Office at: Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF.

Telephone: 0303 123 1113

E-mail: casework@ico.org.uk

Access to Your Information

You can write to Us at any time to obtain details of the information held about You. Please write to: Data Protection Officer, Somerset Bridge Insurance Services Limited, Lysander House, Catbrain Lane, Cribbs Causeway, Bristol, BS10 7TQ. Email: DPO@sbgl.co.uk.

Motor Insurance Database (MID)

Information relating to Your insurance Policy will be added to the Motor Insurance Database ("MID") managed by the Motor Insurers' Bureau ("MIB"). MID and the data stored on it may be used by certain

statutory and/or authorised bodies including The Police, The DVLA, The DVANI, The Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to but including:

- i. Electronic Licensing
- ii. Continuous Insurance Enforcement
- iii. Law enforcement (prevention, detection, apprehension and / or prosecution of offenders)
- iv. The provision of government services and/or other services aimed at reducing the level and incidence of uninsured driving

If You are involved in a road traffic incident (either in the United Kingdom, the EEA or certain other territories), insurers and / or the MIB may search the MID to obtain relevant information. Persons (including his or her appointed representatives) pursuing a claim in respect of a road traffic incident (including citizens of other countries) may also obtain relevant information which is held on the MID.

It is vital that the MID holds Your correct registration mark. If it is incorrectly shown on the MID You are at risk of having Your Car seized by the police. Please let Us know immediately if Your vehicle registration mark is showing incorrectly on Your documents. It is a legal requirement in Great Britain to have continuous insurance in place for Your Car and if there is no record on the MID showing Your Car is insured and You have not declared it as “off road” by completing a SORN (Statutory Off Road Notification), You may receive a letter from the DVLA advising that You could receive a fine or prosecution and the Car could also be clamped, seized and ultimately destroyed. You can check that Your correct registration number details are shown on the MID website at www.askmid.com.

You should show this notice to anyone insured to drive Your Car covered under this Policy.

DVLA My Licence

This Section explains how We may use details You provide Us with. You should show this notice to anyone covered or proposed to be covered under this Policy / prospective Policy. For details relating to information held about You by the Driver and Vehicle Licensing Agency (“DVLA”) please visit www.dvla.gov.uk.

- I. For Insurance underwriting purposes, i.e. to examine the potential risk in relation to Your (and/or a third party’s) prospective Policy so that We can:
 - Provide Your (or any person included on the proposal) Driving Licence Number (“DLN”) to the DVLA to confirm Your (or relevant person included on the proposal) licence status, entitlement and relevant restriction information and Endorsement/conviction data. Searches may be carried out prior to the date of the insurance Policy and at any point throughout the duration of Your insurance Policy, including at the mid-term adjustment or renewal stage. A search of the DLN with the DVLA should not show a footprint against Your (or another relevant person included on the proposal) driving licence.
 - Search Your (or any person included on the proposal) ‘No Claims Bonus’ details against a No Claims Bonus database (“NCB”) to obtain information in relation to Your ‘No Claims Bonus’ entitlement. Such searches may be carried out against Your (or the relevant person included on the proposal) DLN, name, date of birth, Vehicle Registration Mark (“VRM”) and / or postcode. A search of the DLN against the NCB should not show a footprint against Your (or another relevant person included on the proposal) driving licence. Searches may be carried out at point of quote and if an insurance Policy is inception at the renewal stage.
- II. For Anti-Fraud Purposes, i.e. to detect and prevent fraudulent claims and/or activities by:
 - Undertaking searches against Your (or any person included on the proposal) DLN against details held by the DVLA to confirm Your licence status, entitlement and restriction information and Endorsement/conviction data. This helps insurers check information to prevent fraud and reduce incidences of negligent misrepresentation and non-disclosure. A search of the DLN with the DVLA should not show a footprint against Your (or another relevant person included on the proposal) driving licence.

- Search Your (or any person included on the proposal) 'No Claims Bonus' details against a No Claims Bonus database ("NCB") to obtain information in relation to Your 'No Claims Bonus' entitlement. Such searches may be carried out against Your (or the relevant person included on the proposal) DLN, name, date of birth, Vehicle Registration Mark ("VRM") and / or postcode. A search of the DLN against the NCB should not show a footprint against Your (or another relevant person included on the proposal) driving licence.

We will pass details of Your 'No Claims Bonus' to certain organisations to be recorded on a NCB database. This will occur if information requires updating or correcting at any stage, and also at the renewal stage of Your Policy and upon or after the cancellation of Your Policy prior to the expiry date.

Fraud Prevention and Detection

If false or inaccurate information is provided and fraud is identified, details will be passed to fraud prevention agencies. Law enforcement agencies may access and use this information.

In order to prevent and detect fraud We may at any time share information about You with other organisations and public bodies including the police. We may check and/or file Your details with fraud prevention agencies and databases, and if You give Us false or inaccurate information and We suspect fraud, We will record this.

We and other organisations may also search these agencies and databases to:

- Help make decisions about the provision and administration of insurance, credit and related services for You and members of Your household.
- Trace debtors or beneficiaries, recover debt, prevent fraud and to manage Your accounts or insurance policies.
- Check Your identity to prevent money laundering, unless You furnish Us with other satisfactory proof of identity.

In addition, We may undertake credit searches and conduct additional fraud searches, which may include requests for copy of driving licences, utility bills and other documentation (such as proof of occupation) to establish the identity of any person applying for insurance and validity of Policy information.

Credit Searches and Accounting

In assessing an application for insurance or Policy renewal, We may search files made available to Us by credit reference agencies. They keep a record of that search. We may also pass to credit reference agencies information We hold about You and Your payment record with Us. Credit reference agencies share information with other organisations, enabling applications for financial products to be assessed or to assist the tracing of debtors, or to prevent fraud. We may ask credit reference agencies to provide a credit scoring computation. Credit scoring uses a number of factors to work out risks involved in any application. A score is given to each factor and a total score obtained. Where automatic credit scoring computations are used by Us, acceptance or rejection of Your application will not depend only on the results of the credit scoring process.

Please contact Your Broker if You want to receive details of the relevant fraud prevention agencies. We and other organisations may access and use from other countries the information recorded by fraud prevention agencies. Some of the registers We make use of are:

- The Claims and Underwriting Exchange (CUE). This is administered by the Motor Insurance Bureau (MIB). The CUE database is used by most United Kingdom insurers and holds details of most motor and household insurance claims.
- Insurance Hunter. This is a central insurance anti-fraud system to which other insurers also have access. This database is designed to combat activities such as identity theft and money laundering.
